The Guru Nanak Institution's Innovation council (GNIIC) organized a National Webinar on “Role of Agricultural Technology in National Energy Conservation” on 28th December 2021. Dr. Dilip Jain, FNAAS, Principal Scientist and Head, Division of Agricultural Engineering and Renewable Energy ICAR - Central Arid Zone Research Institute, Jodhpur, was the resource person. Dr. Sowmya, Startup coordinator briefed on the objective of the webinar. Dr. K. Umadevi, Dean, GNIIES, President GNIIC, welcomed the participants. Dr. M. G. Rangunathan, Principal, in his address appreciated the initiative of the council. Dr. Mahendrakumar, M, Member, GNIIC introduced the resource person to the august audience. The resource person gave a detailed insight on the importance of Agricultural Technology in achieving the expected energy conservation of the nation. He also emphasized on the various indigenous technologies developed by ICAR-CAZRI for the benefit of the farmers to combat the post-harvest issues faced by them. He also invited our college students for a field trip to CAZRI. Dr. Swati Paliwal, IQAC Coordinator felicitated the resource person and the team.

Mrs. Radhika, Social Media Coordinator proposed the vote of thanks which was followed by the Question Answer session.
