6. To document the outcome of visits.

Process:

The students accompanied by a faculty member shall visit pre-identified agencies in different areas like disability, health, old age, children, women, rural & urban and industrial communities. The students are expected to observe & enquire about

1. Background and field of work of the agency.
2. Place and role of the agency in the society
3. Aims, objectives and programmes implemented
4. Types of Beneficiaries/Target groups
5. Administrative structure, departmentalization, staffing pattern.
6. Funding and resource mobilization
7. Problems and issues faced by the organization
8. Condition and problems of the inmates / beneficiaries.

During their observation visits and document the same. The learning and outcome of each visit to be evaluated through a group conference under the supervision of a faculty member.

Skills to be developed:

Observation / learning skills: Communication / presentation skills; Interpersonal skills;

To make use of the supervision inputs and to develop documentation skills.

COMPONENTS No.2

RURAL CAMP.

Duration: on camp 1 Week.

The actual rural camp is preceded by two weeks of camp preparation to actual camp. This will include pilot visit to the village (s) for identification of the camp site, project to be implemented, and to liaise with local community, various NGO's and Government department to conduct the rural camp in a particular place.

Objectives:

The objective of the rural camp is:

1. To make the social work trainees to experience group living and to initiate and participate in development work in a village identified by the department and the students together.
2. To expose the students to rural life and living.
3. To enable the students to learn by carrying out development project after identify local need
4. To help them develop capacities and attitude suitable for a group living.
5. To inculcate the spirit of working in a team.

Process:

The entire class shall be divided into various groups called committees, namely Project, Transport, food, medical, housekeeping and Health, Finance and the like. Student coordinate and members will be nominated to these committees. For overall coordination two students camp leader will also be elected.

Faculty member as camp director and supervisor in charge of the respective committees will guide, facilitate the working committee.

There by the whole class to plan and execute the rural camp by working out the logistics, contributing and mobilizing necessary resources for the conduct of camp.

The whole process will be documented and evaluated by the class in the terms of camp experience, outcome and learning with reference to the objective specified.

Skills to be developed:

Skills pertaining to: Group living, Planning, Co-ordination, participation, cooperation, capacity to organize, resource mobilization, sense of responsibility, self-evaluation.

COMPONENT No.3

PROJECT FIELD WORK.

DURATION: 30 Days

Project field work is a unique component of the field work programme. This spreads for over a month.

Objectives:

To study the background and dimension of a particular welfare issue/ problem for a social concern.

Working as a project team to plan an educational / and or action programme on the theme selected.

To organize and implement the programme and thereby the required professional growth.

Process:

Each project team comprises of a faculty coordinator and a group of 6 to 8 students.

Each group is facilitated to identify a social problems / developmental issue / development project and works on it in three phases viz.,

Collection of relevant data and preparation of a mini research report (Empirical study)

Working out a suitable action programme (street play as a compulsory component of Action programme along with other forms of action programmes such as rally, propaganda, demonstration and the like) by making use of the local and external resources.

Documentation and presentation.

Each group will have a student coordinator selected and each member is allocated specified responsibilities related to the execution of the project and supervised.

Skills to be developed:

Skills in: Project planning and implementation; Leadership, initiative and motivation;

Coordination and cooperation; Identification and mobilization of resource;

Implementation and evaluation; communication, public relation and Liaison;

Documentation and presentation.

Methodology of Teaching:

Orientation lectures, expert / Guest Lecture, recording, Individual / Group conferences and discussions.

Suggested readings:

UGC Model Curriculum on social work education, UGC, New Delhi, 2001.

Field Work Manual, Madras School of Social Work, 2008-2009.

SOFT SKILLS-1

Essentials of Language and Communication Skills

SUBJECT CODE: 16PGSLS01	THEORY	MARKS 100
SEMESTER: I	CREDITS: 2	TOTAL HOURS: 30

Objectives:

1. Enable students to convert the conceptual understanding of communication in to everyday life.
2. Train students to ground concept / ideas in their own experience..
3. Create a learner-language interface enabling students to exercise control over language use.
4. Sensitize students to the nuances of the four basic communication skills-Listening, speaking, Reading and Writing.

UNIT I :Twinning functions of Listening and Speaking.

UNIT II : Twinning functions of reading and writing.

UNIT III : Individual communication.

UNIT IV : Intermediary communication.

UNIT V : Social communication; Media and communication, alternate media.

Recommended Texts:

1. Shuttle Keith, Wind & Elliot, Elizabeth. *Writing, Researching and Communicating: communication skills for the Information Age*. 3rd reprint, Tata McGraw Hill,Austrilia, 1999.
2. Dignen, Flinders & Sweeney. *English 365*. Cambridge University Press.
3. Goleman, Daniel. *Working with Emotional Intelligence*.Bantarn books, New York,1998.

SEMESTER - II

CORE – V

SOCIAL WORK WITH COMMUNITIES AND SOCIAL ACTION

SUBJECT CODE:16PMSWC05	THEORY	MARKS 100
SEMESTER: II	CREDITS: 3	TOTAL HOURS: 45

Objectives:

1. To develop an understanding of the concepts related to working with communities and processes involved in it.
2. To make students understand the use and practice of community organization in various fields of work.
3. To provide the knowledge about the role of social worker in social changes and social development.
4. To familiarize the emerging trends and experiment in community organization.
5. To introduce various aspects of social action as an effective method of social work.

UNIT I:

(9 hours)

Community: meaning, types, students and dynamics. Community organization: definition, objectives, principles, approaches, historical development, community organization as a method of social work. Similarities and dissimilarities between Community organization and Community development. Community Leadership: concept, types of leadership and power structure of community.

UNIT II:

(9 hours)

Phases in community organization: study, analysis, assessment, discussion, organization, action, evaluation, modification and continuation. Method: locality development, social planning and Social action. Skills of community organization.

UNIT III:

(9 hours)

Application of community organization in different fields. Emerging trends and experiment in community organization. Models of community organization: Saulo- Alinsky, Paulo-Frerie and Gandhian model.

UNIT IV:

(9 hours)

Social Action: meaning, definition, objectives, principles, scope, processes, method, skills and strategies of social action such as public interest litigation, advocacy, lobbying etc., social action for social changes and development.

UNIT V:

(9 hours)

Social legislation through social action. Social problems and social action. Role of social worker in social action. Contribution of contemporary social activists.

Teaching methodology:

Lectures, reading material, discussions, assignment, case analysis, field work and news clippings.

Suggested reading:

CORE – VI

SOCIALWORK RESEARCH AND STATISTICS

SUBJECT CODE: 16PMSWC06	THEORY	MARKS 100
SEMESTER: II	CREDITS: 3	TOTAL HOURS: 45

Objectives:

- To highlight the relevance of research for social work
- To study the various facets of the research process with special emphasis on quantitative research
- To hone the skills in undertaking research and in writing about the same.
- To develop an understanding about the scientific approach to human inquiry
- To Acquire the skills for data analyses and research writing.

Unit 1: Introduction

(9 hours)

Meaning: Research, social research and social work research; scope and objectives of social work research; social work research ethics; relevance of research for social work; approaches to research: quantitative and qualitative research

Introduction to qualitative research: meaning, characteristics and methods (case study, focus group, diaries, documents). Approaches - mixed method approach, historical approach. Concept of participatory and development research.

Unit 2: problem Conceptualization and Research Design

(9 hours)

Research process. Identifying the research issue- selecting the specific research problem-reviewing literature –formulating the objectives-clarifying the concepts, variables:

Conceptualization and operationalisation- formulating hypothesis. Research design: Meaning, types.

Unit 3: Data Collection (9 hours)

Data: Meaning, Sources: Primary and Secondary, Tools: Observation, Questionnaires

Interview Schedule, Interview Guide, Group Interviews, Focus Group discussion. Pilot study and Pretesting of the tools. Scaling Techniques: concept and types (Likert, Thurston). Reliability and validity of tools. Selection of Sample: Meaning of Sample, Universe, Sampling Method (probability and non probability) techniques. Usage of Internet in data collection.

Unit 4: Data Processing and Analysis

(9 hours)

Content checking- Editing data- classification – coding – Tabulation-Analysis- Presentation – Interpretation. Levels of Measurements (nominal, ordinal, interval and ratio) .Types of data analysis – Univariate, Bivariate, multivariate Analysis. Descriptive Statistics: Percentages, Measures of Central Tendency [Mean, Median, Mode], Measures of Dispersion [Range, Mean Deviation, Standard Deviation], Measures of Association: Correlation. Hypothesis Testing: Chi-square Test (concept and application) & t Test (concept). Concept of time series analysis. Use of Computers for Statistical Analysis-Statistical Packages available.

Unit 5: Data Presentation & Interpretation and Research writing

(9 hours)

Data Presentation & Data Interpretation: Meaning and Need.

Research Writing: Research Reporting: Format of a research report- writing research proposal – writing research abstracts- referencing styles.

Teaching Methodology:

Lectures, Reading material, Discussions, Assignments, Case analysis, Field work and News clippings

CORE- VII

SOCIAL WELFARE ADMINISTRATION

SUBJECT CODE: 16PMSWC07	THEORY	MARKS 100
SEMESTER: II	CREDITS: 3	TOTAL HOURS: 45

Objectives:

1. To acquire Knowledge of the basic process of administration
2. To understand the procedures and policies involved in establishing and maintaining social welfare organizations
3. To develop skills to participate positively in administrative process
4. To understand the organizational and administrative structure of social welfare programme at each and every level of implementing organization
5. To provide effective social welfare services to the needy and suffering.

UNIT - I

(9 Hours)

Social Welfare Administration: Basic concepts scope, principles, public administration and social Work Administration as a method of social work. Distinction between social administration, social work administration. Social security administration and other forms of administration. Traditional forms of Social Welfare: Charity, mutual-aid, religious organizations; community support network; Development impact on human existence.

UNIT – II

(9 Hours)

Social Welfare Organizations: Concept, nature and types. Administration of social welfare services; Structure and functions of social welfare organizations, Principles of administration in social welfare. Policy and Programmes of Social Welfare in India with special reference to weaker sections. Social Work Agency: Organizational structure Boards and committees: Executive: Functions & Qualities - Administrative Process: policy formation, Planning decision making, Co-ordination, Communication.

UNIT – III

(9 hours)

Social Welfare Administration Process : Planning- Organization, Staffing, Orientation, Placement, Allocation of responsibilities. Organizational Communication, Decision making, Coordination-impact assessment, Monitoring, Evaluation- Public Relations and Networking. Office administration: office management and maintenance of records. Project Proposal Writing.

UNIT -IV

(9 hours)

Financial Administration : Fund raising practice-community resource mobilization. Grant in aid from state and central government. Rules regarding investment-preparation of Annual budget, Accounting and Auditing – Accounts and Record maintenance.

UNIT -V

(9 hours)

A study of: Central Social Welfare Board, State Social Welfare advisory Boards – Indian Council of Social Welfare – Indian Council of Child Welfare- Nehru yuvak Kendra – Y.M.C.A –C.A.SA. – C.A.R.E. Ministry, Department of Social Welfare--Role of voluntary agencies in social welfare, problems faced by voluntary agencies. Co-ordination and co-operation between voluntary and government welfare agencies.

Teaching Methodology:

Lectures, Reading material, Discussions, Assignments, Case analysis, Field work and News clippings.

CONCURRENT FIELD WORK – II

SUBJECT CODE : 16PMSWC08	FIELD WORK	MARKS 100
SEMESTER: II	CREDITS: 6	DAYS: 25 Days

Objectives:

The broad aim of concurrent field work at this stage (First year – II Semester) is to provide opportunities to the students for applying the knowledge and the information gained in the class room to reality situations. It also provides an opportunity to:

1. Working with communities, groups, individuals / families and manage Organizations tasks.
2. To provide an opportunity for learning skills through the FIELD WORKs of primary methods of social work (case work, group work and community organization).
3. To inculcate professional growth and development.
4. To conduct counseling/home visits.
5. To prepare records.

Areas of learning:

Concurrent FIELD WORK learning tasks are listed in six areas. They are,

1. Understanding both the agency and the clients as systems.
2. Developing knowledge of administrative procedures, programme management and utilizing these skills in FIELD WORK.
3. Developing skills of problem solving process and FIELD WORK based research.
4. Using instruction to learning FIELD WORK.
5. Developing as a professional person.

Process:

- Weekly two days agency visits.
- Recording.
- Faculty –student individual conference / supervisory conferences.

SOFT SKILLS –II

SUBJECT CODE: 16PGSLS02	THEORY	MARKS 100
SEMESTER: I	CREDITS: 2	TOTAL HOURS: 30

Objectives:

1. Coach students to identify, classify and apply relevant skill sets.
2. Illustrate role of skills in real-life situations with case studies, role play etc.,
3. Translate performance of skills into efficient habits.
4. Enables the students to perceive cultural codes involved in presentation and design language performance accordingly.
5. Contributing to people quality of work life through top class training modules.

UNIT-I: General knowledge and presentation.

UNIT-II: Special language and Presentation.

UNIT-III: Professional communication skills for presentation.

Recommended books:

1. Andrews, Sudhor. *How to Succeed in Interviews*. (21st reprint). New Delhi, New Delhi: Tata McGraw Hill.
2. Cathcart, Robert, S. & Samovar Larry, A. (1970). *Small Group Communication: A Reader*. (5th Ed), WMC Brown Publishers, IOWA.

STUDY TOUR

Credits: 1

No.of days: 4-5 days

In the study tour component the learners are provided learning opportunity related to their areas of specialization in different other locations (geographical, social and cultural) outside their own locality. This arrangement provides them an opportunity to meet different people and to come to know different systems of service delivery / institutions.

Objectives:

1. To understand different governmental and developmental services in the context of emerging social realities.
2. To understand the programmers / strategies, administration / management of the services / programmes and participation of the client system in problem solving.
3. Through the experience of group living appreciate its value in terms of self development, inter-personal relationship and mutual responsibility.

Process:

1. Learners are helped to participate in planning, implementing and evaluating the experience with the help of the faculty.
2. Since it will be a mid- semester arrangement it will have to be considered as a part of the field work that particular semester and reports are to be submitted on the visits made.
3. In this process learners are helped in planning, implementing and evaluating learning experiences.

Skill development:

Acquire skills in planning ,organizing and evaluation of the study tour, learn conscious use of time, communication skills, team spirit, handling relationships ,conflicts and differences of opinions ,decisions makings, evaluation, appreciation ,sharing resources, sharing tasks, coping skills in problem situations with cooperation and coordination.
