# LAUNCHING OF NEW STARTUP PROJECT “HERBAL BIO-DEGRADABLE SANITARY NAPKIN PRODUCTION”

The Guru Nanak Centre for Innovation Incubation & Entrepreneurship (GNCIIES) launched few startup project producing Herbal Bio-Degradable Sanitary Napkin", using herbals such as Neem, Aloevera, Turmeric and Tulasi. The Sanitary napkin was given for testing (as per Indian Standards IS 5405/1980) to Technical & Innovative Textile Solution Center, an ISO 9001 certified Testing Lab. The report concluded that herbal sanitary napkin meets all requirements and passes the test. It is organic & Bio degradable. The faculty and Students have completed the Sanitary making Certification course and are trained to

produce the above product. Dr. Marlene Morais (Advisor-GNES) started the Sanitary Napkin production in the presence of the General Secretary & Correspondent, Principal, Vice-Principal, Dean GNCHIES, Coordinators of the various cells of GNCHIES.
